THE
RESIDENCE
COLLECTION

The way you want them to be Residence 7 windows and doors are finished to perfection, combining a modern flush appearance with all your personalised choices. Why not head to the website to find your nearest installer and let your dream home become a reality.

White Matt foil is available internally for all R7 colours. White Matt foil on non-premium range colours are special foils.*

We can also supply any R7 colour shown below on Grained White internally with a slightly extended lead time. Clay, Sage and Noir in R7 are our Premium Range colours. Refer to page nine to see if your job meets the requirements. White Matt foil matched both sides is a special colour combination.

Inside Colour Options

Outside Colour Options

		Chalk White	Matched	Matched	Chalk White	
Chalk White						Clay*
No.38 Grey						Grained White
Vintage Cream						Pepper Oak

						Pyrite

Colours in bold are special foils and may incur longer lead times and surcharge.

That classic look you want Residence 9 has a range of colours and shades to suit different architectural periods and individual choices. 17th century windows were oak and left unpainted, whilst 19th century were always painted.

The inspirational dual colours can transform your home room by room, creating your perfect solution, this is Residence 9.

Explore our wide selection of colours inspired by the latest interior and exterior trends.

With over 26 colours split across six collections, there is a colour for every home. Whether you're looking for that modern feel for your new build or a timeless timber alternative for your 19th century cottage.

SHEERLINE
ALUMINIUM WINDOWS AND DOORS

We can match any colour combination across the Residence Collection and Sheerline Aluminium range.

We want to offer your customers complete control when it comes to colour. That's why our colour matching and foiling services are entirely customisable, ensuring your windows, doors, and bi-folds perfectly complement your space.

**Irish Oak Foiled
Colour Match**

Want the warmth and texture of wood without the maintenance? Our foiling technique can mimic the authentic woodgrain effect, giving your Sheerline Aluminium a natural, inviting look.
