INLINE PATIO

Sleek Design. Exceptional Performance.
Beautifully Connected Living.

Modern Living, Perfectly Framed.

Transform the way you live with SheerGlide® aluminium inline patio doors - designed to bring more light, more comfort, and more style into your home.

Whether you're renovating, extending, or upgrading your existing patio doors, SheerGlide® delivers the perfect balance of elegant aesthetics, advanced security, and impressive energy efficiency.

Create Bright, Open Living Spaces.

With ultra-slim aluminium sightlines and expansive glass panels, SheerGlide® maximises natural light and creates uninterrupted views of your garden, patio, or outdoor space.

The smooth inline sliding design allows the doors to glide effortlessly without taking up valuable internal or external space - ideal for modern open-plan living.

Beautifully Slim Sightlines.

SheerGlide® has been engineered with refined, minimalist aesthetics in mind.

Featuring a slim 38mm non-bonded interlock and sleek aluminium frames, the system allows for larger glazed areas and a clean, contemporary appearance.

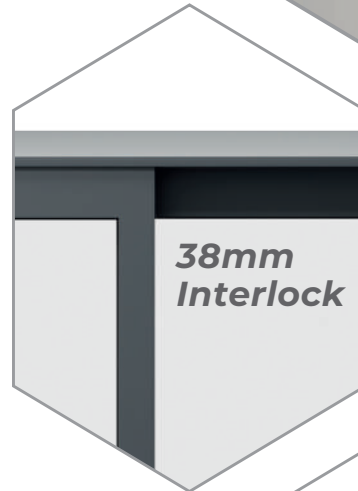

The result is a patio door that looks elegant from every angle while helping your home feel brighter and more spacious.

Precision 45° Mitre Cut Design

Patented mitre cut corners create the perfect look without ugly square cut ends.

Grille Shroud Option.

A discreet, perfectly colour matched alternative to external trickle vent hoods.

Outstanding Thermal Efficiency.

Enjoy a warmer, more energy-efficient home all year round.

SheerGlide® features Sheerline's innovative Thermlock® technology, which delivers exceptional insulation performance and helps reduce heat loss.

This advanced thermal technology offers almost double the insulation performance compared to traditional polyamide systems.

1.4 U-value

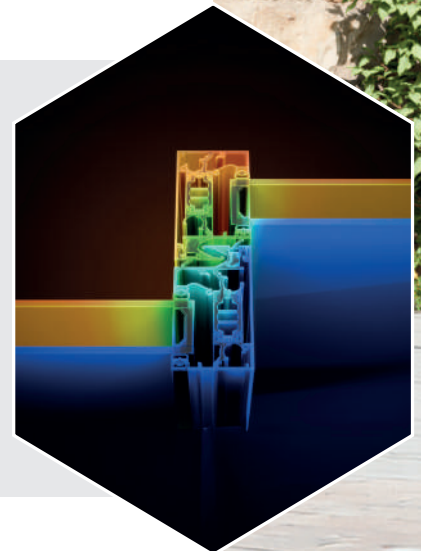

W/(m²K)
Double glazed

Thermal transmittance, also known as a U-value, measures the rate of transfer of heat in building elements. The better-insulated your patio door is, the lower the U-value will be.

1.0 U-value

W/(m²K)
Triple glazed

Available with up to 40mm triple glazing for the ultimate thermal performance. Triple glazing can also provide exceptional acoustic dampening to block out unwanted noise.

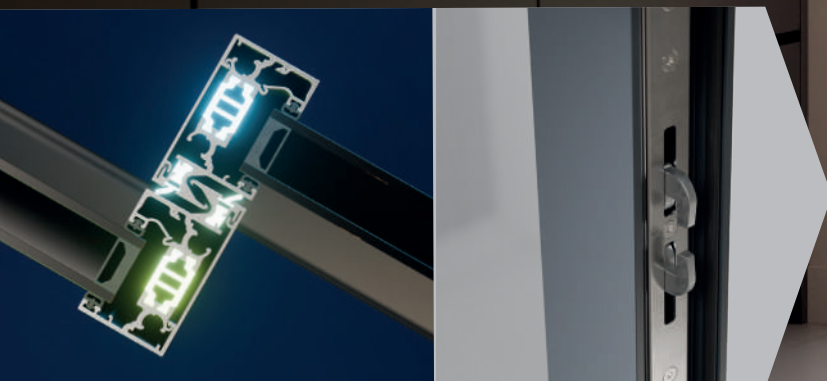

*Rest assured
SheerGlide® is Part L
compliant and future-
proofed against
stringent building
regulation changes for
your peace of mind.*

Advanced Security Built In.

Your home's security is essential, which is why SheerGlide® has been designed with high-performance security features as standard.

The innovative TwinLock interlock system and high-security quad hook lock provide excellent protection without compromising on style, delivering exceptional levels of security and reliable operation.

With PAS24 security accreditation as standard, you can enjoy peace of mind knowing your home is protected day and night.

Choose our laminate glass upgrade for secured by design accreditation* - the official UK Police initiative 'designing out crime' through physical security.

*Requiring PIA Glazing

Effortless Everyday Operation.

SheerGlide® inline patio doors are engineered for smooth, reliable movement.

Self-levelling rolling gear with an independent bogie design ensures each panel glides effortlessly along the track - even with large glass panes.

Easy to Use

Smooth and quiet sliding action

Designed for long-term reliability

Ideal for frequent daily use

Premium-quality hardware throughout

Low Threshold Options.

The SheerGlide® system offers a continuous 80mm threshold option that completes the perimeter of the patio door, which makes it an ideal renovation and replacement product, providing a flush finish between indoor and outdoor flooring.

*Create a seamless
transition between
your home and
garden.*

The rest of our product range.

Classic

With ultra slim 59mm sightlines the Classic window system is an ideal replacement for traditional steel windows, or for ultra modern, minimalist, renovations and extensions.

*CASEMENTS, FRENCH, FIXED,
BOW AND BAY WINDOWS*

Classic HERITAGE DOOR

Completing our ultra slim aluminium range is the new Classic Heritage Door. Featuring a period inspired lockbox design, art deco styling has never looked so good.

*SINGLE AND
FRENCH DOORS*

Designed for living well.

Prestige

Our most versatile window and door range, Prestige offers our widest range of options meaning it's suitable for the broadest range of projects.

*CASEMENTS, TILT & TURN, FRENCH, FIXED,
BOW AND BAY WINDOWS, SINGLE AND
FRENCH DOORS*

Prestige BI-FOLDING DOOR

Beautifully balanced Prestige Bi-folds provide slim, equal 138mm sash-to-sash sightlines to ensure light bathes interiors, even when doors are closed. Providing bright airy interiors no matter what style or configuration you choose.

*SINGLE, FRENCH AND
BI-FOLDING DOORS*

Prestige

LIFT & SLIDE PATIO DOOR

Up to 31% slimmer than market competitors, our multi-track aluminium lift & slide Patio combines flawless minimalism with exceptional thermal performance.

Available in stepped and contemporary styles, the Prestige Lift & Slide Patio perfectly matches the rest of the Sheerline range.

ROOF LANTERN

Our industry award winning SI system, now available with unique, discreet SheerVent® ventilation, is the UK's most secure, sustainable and stylish roof lantern.

With great looks from every angle – due to our ultra-low level aluminium aesthetics.
